SUMMARY

IT undergraduate with internship experience in backend integration and API development. Built enterprise HR workflows with Software AG webMethods and developed Spring Boot services (payments, transactions, relational schema). Seeking Backend Developer/Java Developer roles.

TECHNICAL SKILLS

Languages: Java, Python

Backend: Spring Boot, Software AG webMethods, REST APIs

Databases: MySQL, Microsoft SQL Server

Tools: IntelliJ IDEA, PyCharm, VS Code, Git/GitHub

EXPERIENCE

Innovatechs Technology Solutions | Software Engineer Intern

Jan 2026 - Present

- Built backend integrations using webMethods (Flow Services) for enterprise HR modules.
- Supported REST API development/integration, testing, and debugging for internal services.
- Automated HR workflows with validations and error handling; collaborated using Git.

PROJECTS

Scalable E-Commerce Backend System | Spring Boot

Jan 2026 - Feb 2026

- Developed modules for Product/Category, Cart (dynamic pricing), Orders (state transitions), and Payments.
- Integrated Razorpay payment gateway with order creation, signature verification, and confirmation flow.
- Used Spring @Transactional to ensure ACID behavior and rollback on failures/cancellations.
- Modeled One-to-Many / Many-to-One relationships and added indexing for performance; handled duplicate payments.

HRMS Backend | Java webMethods, MS SQL Server

Jan 2025

- Built backend workflows for employee lifecycle, attendance, and department administration.
- Implemented SOA-style services using webMethods Flow Services and reusable integrations.
- Designed a normalized SQL Server schema and added validation/exception handling for reliable processing.

AI Email Reply Extension | Chrome Extension API, Gemini API

Jan 2026

- Developed a browser extension that generates context-aware, professional email reply suggestions using an AI API.
- Parsed incoming email content to produce tailored replies and reduce manual drafting time.

EDUCATION

M.L.V. Textile & Engineering College | B.Tech, Information Technology (Nov 2022 - Present)

Shree Mahesh Public School | Class XII (CBSE) (Mar 2021 - May 2022)

Shree Mahesh Public School | Class X (CBSE) (Mar 2019 - May 2020)
